# **How to successfully fail from school .....**

## **A TEN POINT PLAN FOR "SCHOOL SUCCESS"**

# PREPARATION

## 1. **Always stay up late the night before school**

Watch TV (After Watershed), videos DVDs, play computer games, phone or text friends/enemies, etc.

## 2. **Don't eat breakfast**

Instead eat crisps and sweets and have fizzy drinks on the way to school. Chew gums and eat sweets during the lessons, stock up with sugar at break and eat junk for lunch after all, “You are what you eat!”

### **3. Appointments**

Arrive late and without a note. This means for school, for all lessons and official meetings.

### **4. Turn up to school with a bad attitude**

Always be without completed homework, and needed equipment you've been asked / instructed to bring , eg. no pen. It is vital – wear training shoes and other non-uniform to school.

### **5. Always act ignorantly when challenged**

Always be confrontational and believe you're "size" to the Teachers and Support staff: After all ...“They can't touch you!”

## PERFORMANCE

### 6. Mess around going into lessons

Always take time settling down to your work  
Only work in lessons you like.

### 7. Always be ready to do "OTC" (OFF TASK COMMUNICATION)

Including chatting and "brushing" with friends & enemies", hitting, throwing and of course ... messing with mobiles (even those without credit!! )

**8. Practice "No Contact" with the person content**

Simply put **AGENDA B** above **AGENDA A**

**9. Put your personal feelings about teachers first!**

Once again, place **AGENDA B** above **AGENDA A** and forget what you're meant to be in class for ... learning!  
Always deny anything you are accused of.

**10. Keep acting as though your education is free**

Continue wasting what your parents and carers have paid for in taxes!

**Follow these rules for 'success' and you will 'successfully fail', underachieve and will almost certainly be excluded**

**JUST DON'T DO IT!**

**DON'T GET CAUGHT!**

# ABC OF LIFE

<b>A</b>	<b>Accept</b> the challenge
<b>B</b>	<b>Believe</b> in the cause
<b>C</b>	Know the <b>choices</b> you make, not the chance you take to determine success in life
<b>D</b>	<b>Define</b> yourself and develop your own goals and objectives
<b>E</b>	Expect <b>failure</b> but also expect success
<b>F</b>	<b>Fight</b> on and be <b>faithful</b> to <b>finish</b> whatever you started
<b>G</b>	<b>Gravitate</b> towards positive successful people for the right reason and at the right time
<b>H</b>	<b>Harness</b> everything within you not to be rich or famous and wealthy but just to be <b>happy</b> because <b>happiness</b> is something money can't afford because if it was it would be traded on the NY stock exchange
<b>I</b>	<b>Initiate</b> the process to get involved to learn how to and every now and then let it all hand out
<b>J</b>	Know that <b>Jealously</b> gets you nowhere; but always <b>justify</b> your actions
<b>K</b>	<b>Keep</b> on keeping on. <b>Kick</b> the negative habits and negative thoughts and ideas to the curb
<b>L</b>	<b>Learn</b> how to <b>learn</b> so you still <b>learn</b> something new every day
<b>M</b>	In a <b>materialistic</b> society we think that <b>M</b> is <b>more money and more money and more money and more money and more money</b> . With <b>more money</b> you have more problems you will see. Measure your work based on what is in your head and not what is parked in your driveway or hanging in your closet

# ABC OF LIFE

<b>N</b>	<b>Never, never</b> say never
<b>O</b>	<b>Organise</b> your life, <b>order</b> your life
<b>P</b>	<b>Put</b> first things first but always <b>practice</b> what you <b>preach</b>
<b>Q</b>	<b>Quit quitting. Quitters</b> never win and winners never <b>quit</b>
<b>R</b>	<b>Respect</b> people based on their skills, talents and achievements and <b>respect</b> them on nothing else
<b>S</b>	<b>Stay strong</b> to your values and beliefs and don't sell out to friends and family
<b>T</b>	<b>Travel</b> the long road to equality as you still have a long way to go
<b>U</b>	<b>Utilize</b> your network for someone else to do well in life
<b>V</b>	<b>Visualise</b> only when you see it can you be it
<b>W</b>	<b>Work, work, work, work, work, work, work, work, work (x21)</b> till all is done
<b>X</b>	<b>X-ray</b> your own life for improvement not mine, your friends, aunty etc. There are 24 hours in a day. 12 hours to mind your own business; 12 hours to take care of business leaving you zero time to mind other people's business
<b>Y</b>	<b>Yield</b> to opportunity
<b>Z</b>	<b>Zealously</b> strive to achieve

“I don’t know the key to success, but the key to failure is trying to please everybody.”

*Bill Cosby*

“Wanting something is not enough. You must hunger for it. Your motivation must be absolutely compelling in order to overcome the obstacle that will invariably come your way.”

*Les Brown*

“There are no secrets to success. Don’t waste time looking for them. Success is the result of perfection, hard work learning from failure, loyalty to those for whom you work and persistence.”

*Colin Powell*

“The way to be successful is through preparation. It doesn’t just happen.

You don’t wake up one day and discover you’re a lawyer, any more than you wake up as a professional football player. It takes time.”

*Alan Page
